

## World Refugee Day - Saturday June 20th

World Refugee Day is a time of celebration. To honor the survivors who were forced from their homes and sought refuge and safety from violence. To recognize them as part of us. World Refugee Day is also a time to reflect on the root causes of mass atrocities and solutions to bring those who were forced to run back home. It should be a day of action, as action is the very best way to honor and celebrate the sorrows and triumphs of humanity by connecting with humanity in the toughest of times.
